## Learning & Collaboration

## For the Modern School

### Modern Technology ...

... designed to keep up with your learners, instructors & guardians, built with the latest technology, **OneOffice** will empower your classrooms with all the tools you need, all at your fingertips.

Your classrooms will be more **efficient**, your teaching more **secure**, and your **costs** will go way down.

### Powerful Features

- ✓ **Editors** for Word, Excel, PowerPoint, Visio ...
- ✓ Award-winning **LMS** & class **Management**
- ✓ **Emails**, Projects & Collaboration
- ✓ Secure Calls & Chats
- ✓ Easy Migration

### Most Complete

Contains all the tools your classroom needs ... in one single platform.

### Most Secure

Strongest security in the industry. The only solution you can host on your own private server!

### Most Cost-Effective

Save 50 - 70% off your IT, thanks to Open-Source and Huawei Cloud. Less servers, no patches, or breaking updates ...
