The screenshot displays the OneOffice online editor interface, which is designed to look like a standard desktop office application. It features a ribbon-style menu at the top with tabs for File, Home, Insert, Layout, Review, and Format. The main workspace is divided into three overlapping windows:

- Word Document:** The top window shows a document with the text "Lorem ipsum" and "Lorem ipsum dolor sit amet, consectetur adipiscing elit." The ribbon includes options for text formatting (bold, italic, underline, font color, background color) and alignment.
- PowerPoint Presentation:** The middle window shows a slide titled "OneOffice" with a blue and white color scheme. The ribbon includes options for text boxes, connectors, and shapes.
- Excel Spreadsheet:** The bottom window shows a spreadsheet with a data table and a chart. The ribbon includes options for formulas, cell styles, and data analysis.

The Excel spreadsheet data is as follows:

	A	B	C	D	E	F	G	H	I	J	K	L	M	N	O	P

The chart on the right side of the Excel window is a burndown chart showing "Planned Hours" (green bars) and "Actual Hours" (yellow bars) over time. The y-axis represents hours, ranging from 0 to 300. The x-axis shows "Start", "Week 1", "Week 2", "Week 3", and "Week 4". A blue line represents the burndown trend, which is projected to reach 0 hours by the end of Week 4.

Patient Appointments

- Real-time patient booking
- Patient reminders and notifications
- Real-time changes and cancellations

The screenshot displays a web-based interface for a Patient Appointment Calendar. At the top, there is a navigation bar with a cloud icon, the text 'Healthcare', a search bar with the placeholder 'Search or type a command [Ctrl + G]', and menu items for 'Settings' and 'Help'. Below this is the title 'Patient Appointment Calendar' and buttons for 'Menu', 'Refresh', and 'New'.

The main interface is divided into a left sidebar and a central calendar grid. The sidebar contains a 'Reports' dropdown menu with options for 'List', 'Gantt', 'Calendar', and 'Kanban'. Below this are 'FILTER BY' options: 'Assigned To', 'Created By', and 'Add Fields'. There is also a 'TAGS' section with a 'Tags' dropdown and a 'Show tags' button. At the bottom of the sidebar is a 'SAVE FILTER' section with a 'Filter Name' input field.

The central calendar grid shows the month of December 2019. The days of the week are labeled at the top: SUN, MON, TUE, WED, THU, FRI, SAT. The dates are arranged in a grid. Appointment slots are represented by colored rectangles with text indicating the time and patient ID. For example, on Friday, December 6th, there are two blue slots: '11:45a HLC-PAT-20' and '12:30p HLC-PAT-20'. On Saturday, December 7th, there is a blue slot: '1p HLC-PAT-2019-0'.
